

# Swiss support for European innovation and R&D co-operation

The Enterprise Europe Network services

Enterprise Europe Network (EEN) group  
Euresearch Head Office  
[SMEInnovation@euresearch.ch](mailto:SMEInnovation@euresearch.ch)  
+41 31 380 60 34

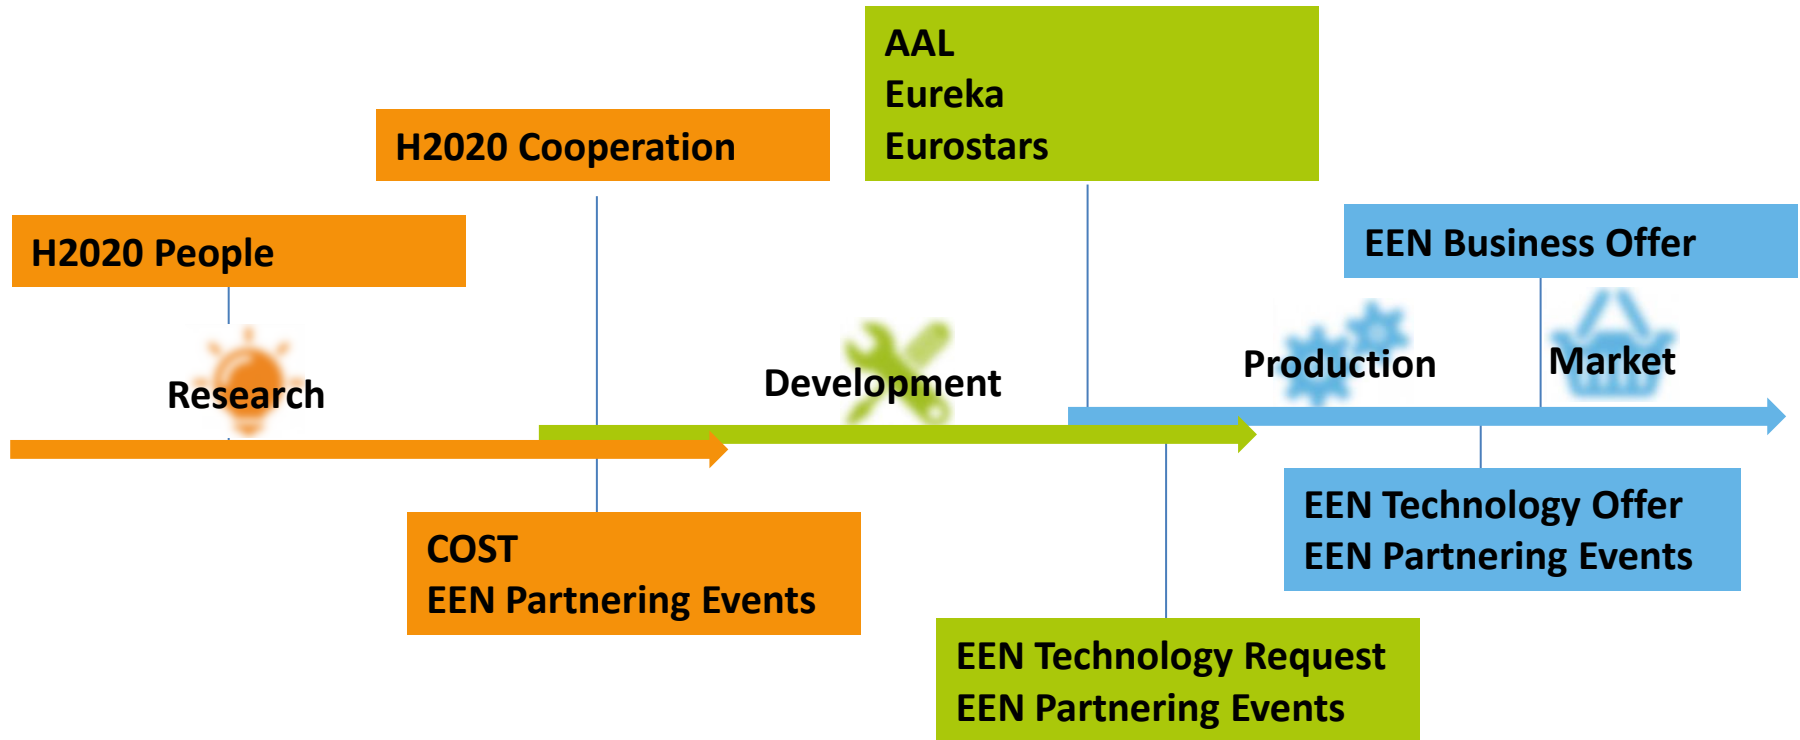

# Partnering for research and innovation

- to find partners exploiting your technology / knowledge
- to find partners providing a technological solution to your need
- to offer your expertise for technology and research cooperation (e.g. consortia for research projects)

# From Research to the Market

# network

enterprise europe

- 53 Countries
- 600 Organisations
- 4500 Experts
- 28 EU countries  
+ China, Japan,  
Norway,  
Russia, Switzerland,  
USA, ...

# network

enterprise europe

## How does it work?

EEN Instruments:

- profiles database
- events
- technology e-alerts

**Swiss EEN advisor**

'expert' networking  
(e.g. Via sector groups,  
annual conference,  
sectorial events)

Local EEN advisor  
(e.g. German)

Technology offer  
Technology request

Client 1 (by geography:  
e.g. Swiss researcher)

Client 2 (e.g. German  
SME)
