## Start-Up: Application criteria for exhibiting at Eureka Park

- The technology displayed must be applicable to the consumer technology space: If you dream that your technology would benefit consumers one day, then you belong in Eureka Park.
- **If a company has launched their first product, it must have been launched on or after January 1, 2018. Any startups with products that launched before this date will not be considered.**
- Crowdfunding campaigns, pre-orders and beta stage are allowed.
- Your product or service must be innovative with the potential to make a profound impact on the market.
- You may showcase products or services, and they can be fundamental inventions with broad applicability.
- The technology must be demonstrable as a prototype or software mockup; no paper or concept entries.
- You must display finished goods and under their own brand name(s) rather than as an OEM or ODM.
- Must be a first-time exhibitor.
- Start-Ups are limited to a maximum of (2) years in Eureka Park.
- CTA reserves the right to cancel exhibitors who do not adhere to these entry criteria and/or the terms and conditions on the space contract.

**Please contact us and we will check your application with the organizer.**
